The Unified Court System Official Surrogate's Court Forms

Produce a complete and exact set of the Official Forms to obtain Letters Testamentary and Administration in any county in New York.

Save Time
Applying
For Probate

- Our secure, web-based, user-friendly system guides you through the data entry process. It substantially reduces the chance of rejection of your papers.
- No redundant input. Reduce the time to produce the forms to a fraction of the time it now takes using other applications.
- Your data resides in a secure, password protected database to provide you with immediate access for review, revision and printing of your probate forms at any time from any location with an internet connection.
- Prepares a simple client data report. E-mail it to the client for review and sign-off prior to filing.
- Eliminates the bother of managing and maintaining in-house software or the tedium of filling in and correcting repetitious fillable forms on the web.
- Produces a paid invoice for recovery of this cost from your client.
