

TRADEMARK & COPYRIGHT

DO YOUR CLIENTS HAVE
PROTECTION for their trade names?

Protect business and website names.

Trademark Search

Our report tells whether your mark or a similar mark is already registered or is awaiting registration. In addition, our research can help determine whether other businesses are using a similar unregistered mark.

Trademark Application

We will review the finished report with you. If you decide to apply for registration of the mark, our attorneys and paralegals can assist you from start to finish.

Document Retrieval

We retrieve patent and trademark documents and files located in the Patent & Trademark Office.

Copyright Services

BlumbergExcelsior can also search and retrieve copies of records open to public inspection in the U.S. Copyright Office and will assist you in preparing and registering copyrights.

For more information on Trademark and Copyright services, call 800 221-2972, ext. 570.

Document Retrieval

We can obtain copies of any public record, state, county and local level. Call to get what **you** need when **you** need it!
