

Blankrupter® 4.8 Bankruptcy Software

With all revisions of the Official Forms, Means Test, IRS and Census Bureau Data Tables through December 1, 2008.

- CD version for unlimited use
- Online single case Bankruptcy filing **\$65.00**
(5 cases: \$57.25 each; 10 cases: \$48.75 each
For Chapters 7, 11, 12 & 13 Bankruptcy Filings)

Complies with the Interim Rules and Official Forms implementing The Bankruptcy Abuse Prevention and Consumer Protection Act of 2005

NEW Dynamic MEANS TEST CALCULATOR with IRS and Census Bureau Data included in the database.

- Determine Means Test “presumptions” in advance.
- Database refined to the county level in all districts.
- Automatically determines “presumptions” and populates fields of OF 22A, B or C.
- If data changes, presumption will be revised and appropriate form completed.
- Avoids redundant entry of data.
- Avoids side calculations.
- Gathers Schedule I data for Means Test.
- Revisions to IRS & Census Bureau tables are easily downloaded.

A full featured program that is easy to use and easy to file electronically. No other software needed.

New Bankruptcy Questionnaire, 12 pps.—print or email to your clients to help them gather, organize and present you with their information in logical sequence.

Outstanding Features

- One button upload creates all documents for electronic filing:
 - official forms in PDF format.
 - creditors matrix in text format.
 - debtor’s information file.
- Ability to import PDF’s of local forms.
- Add captions to all forms and “Amended” (or other headings required by the courts) for amended bankruptcies.
- City codes in database for electronic filing.
- Add addenda or riders to filing.
- Includes the form, “Declaration of Electronic Filing”.
- Update system, transfer existing data to future versions of Blankrupter.
- Link to support site in Help for updates and downloads.
- Print preview to view files before creating the PDF, or printing the forms on paper.
- Two Chapter 13 Plans.

Network Version

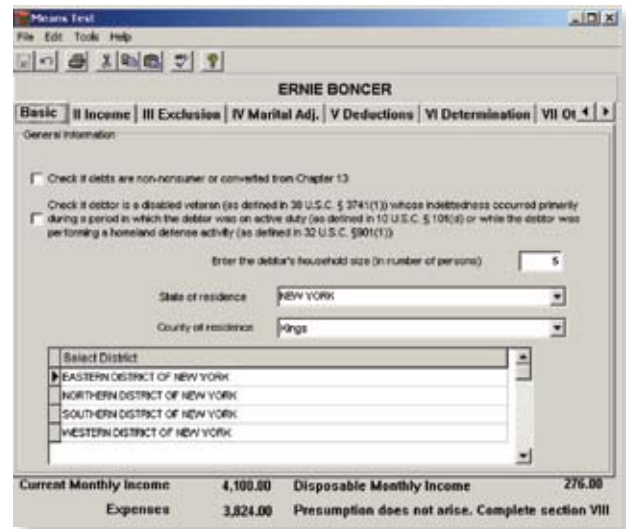

- Common creditor data tables are shared network-wide, peer-to-peer or on central file server.
- Exemptions data tables for each machine or network-wide.
- System default by each machine or network-wide settings.

Enterprise Edition

A server-based version of Blankrupter—ideal for firms with more than 20 users. This package resides on your firm’s server permitting users to work from and save to a central location. Please call the software department for pricing (800 221-2972 ext. 565).
