

Blankrupter® 4.8.3 Bankruptcy Software

With all revisions of the Official Forms, Means Test, IRS and Census Bureau Data Tables.

For Chapters 7, 11, 12 & 13 Bankruptcy Filings
Includes revised B1D and new B201A, B201B and B27 dated 12/1/09.

- CD version for unlimited use
- Online single case Bankruptcy filing **\$49.95**
(5 cases: \$43.95 each; 10 cases: \$37.45 each)
- Vista and Windows 7 compatible

Dynamic MEANS TEST CALCULATOR with IRS and Census Bureau Data included in the database.

A full featured program that is easy to use and easy to file electronically.
No other software needed.

- Determine Means Test “presumptions” in advance.
- Database refined to the county level in all districts.
- Determines “presumptions” and populates fields of OF 22A, B or C. If data changes, presumption will be revised and appropriate form completed.
- Gathers Schedule I data for Means Test.
- Revisions to IRS & Census Bureau tables are easily downloaded.
- One button upload creates all documents for electronic filing: official forms in PDF format; creditors matrix in text format and debtor’s information file. Includes the form, “Declaration of Electronic Filing.”
- Ability to import PDF’s of local forms.
- Add captions to all forms and “Amended” (or other headings required by the courts) for amended bankruptcies.
- City codes in database for electronic filing.
- Link to support site in Help for updates and downloads.
- Print preview to view files before creating the PDF or printing on paper.
- Two Chapter 13 Plans, plus new Small Business Plan, B25.

Bankruptcy Questionnaire, 12 pps.—print or email to your clients to help them gather, organize and present you with their information in logical sequence.

Network Version

- Common creditor data tables are shared network-wide, peer-to-peer or on central file server. Exemptions data tables for each machine or network-wide. System default by each machine or network-wide settings
