

Blankrupter® 4.9 Single Use Online Application

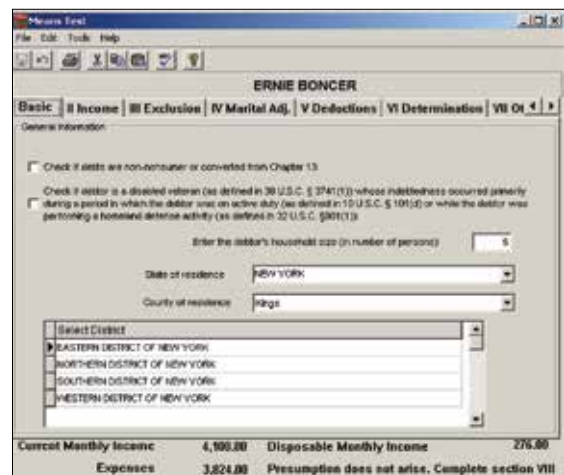

With all revisions of the Official Forms, Means Test, IRS and Census Bureau Data Tables

In addition to the changes in the IRS and census data, Official Forms B3A, B3B, B6, B6I, B6J, B23, B27 and B200 changed December 1, 2014. Revised NY exemptions included.

Dynamic MEANS TEST CALCULATOR with up-to-date IRS and Census Bureau Data included in the database.

A full featured program that is easy to use and easy to file electronically. No other software needed.

- Determine Means Test “presumptions” in advance
- Database refined to the county level in all districts
- Determines “presumptions” and populates fields of OF 22A, B or C. If data changes, presumption will be revised and appropriate form completed.
- Gathers Schedule I data for Means Test
- Revisions to IRS & Census Bureau tables are easily downloaded
- One button upload creates all documents for electronic filing: official forms in PDF format; creditors matrix in text format and debtor’s information file. Includes the form, “Declaration of Electronic Filing.”
- Ability to import PDF’s of local forms
- Add captions to all forms and “Amended” (or other headings required by the courts) for amended bankruptcies
- City codes in database for electronic filing
- Link to support site in Help for updates and downloads
- Print preview to view files before creating the PDF or printing on paper
- Two Chapter 13 Plans, plus new Small Business Plan, B25

Means Test Screen

Single Use Online Application Chapters 7, 11, 12 & 13
