Why **Blumberg™** Kits Are Better

We use the finest grade vinyls, extra-thick binder boards, large, durable, easy-to-open metals and 24K gold trim. Every binder (except Red Russia) has a slipcase or dust protector. The quality of the binder is the principal difference between our kits.

All **Blumberg™** Kits Include

Pocket Seal, 1 $\frac{5}{8}$ " diameter

Stored inside the binder in our unique zipper pouch. Names with over 44 characters and spaces require a 2" diameter seal, \$15.55 additional. (Cat. No. 5221).

Transfer Ledger

A separately bound, 2-color alphabetized 8-page loose-leaf section.

Entity Name

Printed on a gold label that slides into a window or 24K gold etched on the spine (Centennial, Ex Libris and Esquire).

FREE STANDARD CLAUSES (Value \$10.50) when you order kits online

Corporation & LLC laws in most states require special language on share certificates when certain circumstances exist, e.g. transfer restrictions, preferences, multiple classes, security law regulations. Prevents office failures! Compliance is simple, assured and less expensive than typing or rubber stamping each certificate. To order, provide the clause number.

Go to www.blumberg.com/clauses for the full selection, including state-specific clauses. To submit your own text, see Special Certificate Printing, page 14 for prices.

All prices are subject to change without notice.

America's Favorite Corporate, LLC, LP & Nonprofit Kits & Seals!

FREE SharePrinter™ Template:

- Fills in name of holder, prints the number of shares/units in certificate box, spells out the number on the form, then prints same on the stub.
- Dates the certificate and stub automatically (may be overridden).

— For single class certificates.

IMPORTANT: to use the SharePrinter™ Template, request loose (not bound) certificates and stubs when you place a kit or certificate order. Free download at blumberg.com/downloads or request a disk, Cat. No. SP9 when you order. If ordered separately, \$9.95.

New York Not-for-Profit Incorporation Service with Optional 1023EZ Filing

Streamlined filing process; current IRS tax language

We can help you avoid many of the common filing pitfalls and determine if any State agency consents may be required under the law. Our expertly prepared documents, approved by the State and IRS, incorporate all the necessary information for filing and aid in streamlining your client's tax exemption process. Once a final document has been approved for filing by our client, our email confirmation of filing proof is sent usually within 24–48 hours. Add a Certificate for Framing to your order to bring an air of distinction to your client's location and put forth a visible professional edge. This is a lovely, NY State issued frame-ready Certificate bearing the entity name and the State Seal that your client can proudly display. Certificates for Framing are mailed separately taking on average 4–6 weeks.

Our forms are authored by The Lawyers Alliance for New York and were revised to comply with the **Nonprofit Revitalization Act of 2013 as revised effective May 27, 2017**. “They make me look brilliant!

We use Blumberg for all of our filings with the SOS and Comptroller (which is several times a month). They are amazing. They always provide a quick turn around and allow me to submit documents by email with minimal interaction/explanation, which saves me loads of time. When I am stumped and don't know how to do something, I call and they always know what to do, or have the necessary form, and no one ever knew I was unsure. They make me look brilliant!” — Law firm, Dallas, TX
