

# Blumberg Lever Arch Binders

## For letter size documents.

Colorful, capacious lever arch binders are ideal for organizing litigation or transactional case/client files and trial notebooks, and look great on office shelves. Use with letter-size paper and standard 2-hole punches. And Blumberg Binders are as economical as they are practical! Distinctive features include:

- **Superior organizational system**
  - letter size binders with unique lever arch metals
  - big, easy to read removable labels
  - color code files with color binders
- **Improved lever arch binder metals**
  - 2-hole (standard 2 $\frac{3}{4}$ " cc) on 11" side
  - lever makes it easy to open and close
  - holds over 570 sheets of letter size paper
  - ball and socket ring eliminates misalignment, snagged papers
  - compressor bar secures papers, prevents tearing holes
- **Easy to retrieve, read and copy**
  - remove and replace pages from the center unlike prong fastened documents
  - scan pages by flipping from the top, bottom or side
- **Attractive durable binders, easily stored and transported**
  - store in bookcases, on counters, or file cabinets
  - fully glued covers with metal reinforced bottom edges
  - metal framed lock slots keep binders closed and square on shelf
  - metal framed retrieval hole on spine
- **Dimensions: 11 $\frac{5}{8}$ " H x 11 $\frac{1}{4}$ " D x 3" W**

### Create your own filing system with Blumberg indexes.

A simple organization would replace the red rope file pocket with a binder: label the binder spine as you would label the pocket, and use an index to replace the manila folders. Design the ideal system for your practice!

### Indexes that are used in BLUMBERG lever arch systems:

- Desktop Index System
- All letter size side tab indexes
- Immigration, Workers Compensation, Criminal Case, Trusts, Family Law, Medical, Litigation, Bankruptcy, Employment Law, Estate Planning and Estate Administration indexes
- Laser Printer Tabs and Divider Sheets to make your own index
- Custom indexes

# Blumberg Ring Binders

## Compare Lever Arch Binders with 3" "D" ring looseleaf binders

- Similar capacity.
- Takes 1" less width on the shelf.
- Increases shelf capacity one-third.
- Compressor bar prevents holes from tearing.
- About one-third lower in price.
- Easier to remove and replace pages.
- Bigger label area.
- Handy retrieval hole on spine.
