Estate and Trust Portfolios

Emphasize the importance of the Estate and Trust documents you have prepared for your clients. Deliver them in personalized Garnet, Emerald, Plush Raven or Ex Libris Portfolios. These professional binders will provide your client with a place to preserve and protect these important records. Index tabs allow the client to file other related documents such as insurance policies and financial information. They can facilitate future communications with your client by simplifying access to the documents.

Estate or Trust Questionnaires with free disc

Each portfolio binder comes with detailed questionnaires to simplify the gathering of information for the estate or trust documents. Separate questionnaires for estates under and over \$500,000 include testamentary trusts and asset summary (14 pp.); or inter vivos trust, revocable and irrevocable (10 pp.). The publisher of the popular DL Document Assembly Libraries has given us permission to provide these valuable questionnaires on a CD in Word and WordPerfect. Personalize and edit the questionnaires to suit your needs.

Choose our exclusive black and gold trimmed 1½" ring Garnet, Emerald or Plush Raven binder or our unique Ex Libris 1½" ring binder with or without built-in dust protection. **The Garnet, Emerald, Plush Raven and Ex Libris binders are personalized in 24K gold with “Estate of” or “Trust of” and your client’s name in the top panel and your firm’s name in the bottom panel.**

All portfolios include:

- Twin binder pockets to hold loose papers

“Impressed.
I didn’t realize how nice and professional the binders look. They are a hit with clients as well as our staff.” – Law firm, Dallas, TX

“Absolutely amazing!
My law firm needed a special product with custom gold lettering for a client’s estate planning documents ‘ASAP.’ I placed my rush order online at 3:00 p.m. on a Thursday and we had the binders in our hands by 3:00 p.m. the next day via UPS overnight. The product was excellent and the customer service rep who called to confirm the order and ask me a question was also great. I will definitely use BlumbergExcelsior again for these types of products.” – Law firm, Sarasota, FL

Full Color Digital Professional Stationery

Amid a flood of tweets, texts and emails,
a traditional letter rises to the top.

A letter spells professionalism. Full color letterhead and business cards are a surprisingly inexpensive way to enhance that impression. Keeping this in mind, we now offer letterheads, envelopes and business cards with:

- full color digital printing
- superior 50% cotton 24 lb. Law Bond watermarked paper, white, ultra bright white or bamboo, a paper lawyers have used for over 75 years for its superior feel and archival quality; and Neenah Classic Linen, Avon Brilliant or Natural White
- runs of 100, 250 and 500 (business cards 250, 500 and 1000) at substantial savings compared to 2-color and 4-color printing

These packages allow maximum impact at minimum expense for start-ups and others who would rather not invest in the usual minimum print order of 500 or pay a premium for full color printing.

NEW! Client Pamphlet

Avoiding Liability for Sexual Harassment in the Workplace

New York State and New York City recently joined other states and local jurisdictions that have laws to stop sexual harassment in the workplace. The New York laws require employers to adopt policies and provide training to prevent sexual harassment.

Evolving laws and media attention make stopping sexual harassment imperative for lawyers and their clients, especially in states like New York that require employers to adopt anti-harassment policies and training. Contact clients to make them aware of the anti-harassment laws and explain how you can help by reviewing and updating contracts, policies, training and claim procedures.

Blumberg just published a new client pamphlet “Avoiding Liability for Sexual Harassment in the Workplace” (Cat. No. 3726). With your advice and counsel clients can implement practices described in the pamphlet to help them maintain a productive workplace free of sexual harassment and take actions to reinforce positive behaviors and discourage inappropriate ones before they become the basis of litigation. Blumberg can print your firm’s contact information and logo on the pamphlet. You can license the text of the pamphlet for publication on your firm’s website.

To order free samples of this (Cat. No. 3726) and other client pamphlets or to learn more about Blumberg marketing products for law firms, visit blumberg.com/marketing or call 800-221-2972 x1692.

For more information about the new laws in New York read Blumberg’s blog post at blumberg.com/blog.
