Blumberg Stationery printed in our own plant!

Printing Processes

Engraving (Intaglio Printing)

A long-standing tradition of the legal profession, unquestionably makes the most prestigious impression. Its tactile finish and saturated color distinguish it aesthetically and practically from common printing processes and discourage fraudulent use of your letterhead. **Secure—it can't be reproduced on laser printers.**

Thermography

A raised printing process with a three dimensional look and feel, can't be reproduced with office printers and is economical.

Lithography

Flat/offset printing, can be graphically effective, particularly if used with a second color or process.

Digital

Tremendously versatile, full color, quick delivery and economical.

Multiple Colors and Processes

Combining printing processes, such as engraving and lithography, adding color(s), foil stamping and/or blind embossing makes your firm stand out. Color press proofs available on request. Request quote.

Paper Selection

Blumberg Law Bond, 50% Cotton Content Paper

The choice of legal professionals. Offers quality and value.

- Velvet and opulent feel
- Archival strength and durability
- Ideal for laser and inkjet printing
- Withstands strenuous production processes such as embossing, foil stamping, thermography and engraving
- Environmental benefits (see p.13)
- 100% ♻️
- 24 lb., wove
- White, ultra bright white and bamboo

Blumberg Cotton Bond Envelopes ♻️

Our high quality envelopes look great and save money. These 25% cotton white, ultra bright white and bamboo envelopes match Law Bond.

Neenah Classic Linen—*Sensible luxury!*

Consistent visual texture and unique tactile finish. A timeless depth and refinement that you won't find with any other surface. Recycled and Carbon Neutral Plus. Avon brilliant white and neutral white. Boxed 500.

How To Order

Use pages 2–10 to guide you or go to blumberg.com/stationery or call 800 221-2972 x1692.

1. **Select** printing process and quantity for letterhead, continuation sheet, envelope and business card.
2. **Select** paper and color of paper.
3. **Select** additional processes.

4. Composition:

- a) From the illustrations on page 5 or at blumberg.com/stationery, select a layout (L_) and typeface (F_), or send copy and samples of the typeface.
- b) Send a marked-up sample of your stationery.
- c) Send mechanical or electronic file.

***Hint:** In choosing typefaces, compare the length of your main line with the typeface of choice. If it is substantially shorter or longer than the name in the chosen typeface, you may prefer a more extended or condensed typeface. Compare each letter in your text to the letter in the typeface, particularly scripts. Typefaces cannot be changed.*

5. **Email your file.** Acceptable file formats: .ai, .eps, .psd, .pdf, .jpg or .tif (Min. resolution 1024 x 1024 at 300 DPI at print size—a higher resolution gives a more detailed print image).
6. **Proofs will be emailed or faxed** unless otherwise specified. Press proofs at additional cost. Inquire.
7. **Additional processes:** blind embossing, foil stamping, please inquire. Submit bleeds, solids and close registration for a quote.
